

## Full-Stack Developer (Six month contract)

Channel Zero Inc. is looking for full-stack developer based in Toronto for a **six month contract**. Reporting to the VP of Operations and working with Software Developers on in-house software for the news team, this individual will be working on the front end and back end, along with database, application servers and client machines

### Essential Position Duties and Responsibilities

- Deliver high quality components that meet all project requirements.
- Work closely with business managers, users, and supervisors to design application solutions.
- Write great documentation and provide ample testability.
- Communicate constantly, usefully, and precisely.
- Establish and evangelize best practices and methodologies.
- Fix software issues and code irregularities.
- Perform code maintenance, testing, and analysis.
- Support the application during implementation.
- Other duties as assigned.

### Qualifications and Skill Requirements:

- **Required Experience** developing in **Object-Oriented languages** in a production environment, including: **C++**
- Experience with databases, specifically MySQL is a must.
- Familiarity with HTML5, JavaScript, jQuery, and Video.js are major advantages.
- Familiarity with Client-Server architecture.
- **Required Experience** in professional **C++ programming** in a Linux environment as well as Windows and iOS
- A solid understanding of software development processes, principles, and tools including: GIT/SVN, SCRUM, and Automated Testing.
- University education in Computer Science, a related field, or relevant experience.
- Excellent analysis and problem-solving skills.
- Strong communication skills.
- Demonstrated ability to work independently under minimum supervision.
- Attention to detail and the ability to meet extremely tight deadlines.
- Willingness to work in a fast-paced, highly dynamic and engaging workplace.
- Experience with broadcast technology, video codecs, ActiveX, or Media Object Server will be major assets.

**Quoting ref# FSD-2019, please send resumes and covering letter stating salary expectations to:**
